

FEEDING FAMILIES FUELING HOPE MONTHLY

December 2020

Thanks for choosing Interfaith Food Ministry for your nutritional needs! The goal of our client newsletter is to keep you updated on all distribution news at IFM, as well as share recipes and relevant information about the food we provide at IFM. Please enjoy!

DISTRIBUTION UPDATES

Three visits total allowed in December!
IFM welcomes all families to visit on three separate days in December if needed. (Only one Christmas Distribution allowed per family.)

Regular Food Distribution Days are Mon, Wed, Fri
10am-1pm.

Saturday, December 12th is Food Access Saturday
(every 2nd Saturday) 10am-12pm with United Way.

Christmas Meal Distribution Dates: December 14, 16,
18, 21, 23.

IFM is closed December 25.

As a reminder, IFM will be open during normal business hours during all Public Safety Power Shut-Offs. The only time we would close would be in extreme snow or ice weather conditions. In the event of extreme weather conditions, you can check our website or Facebook page for updates, as well as call our direct line for recorded updates to possible closures. Because IFM is considered an essential business, it will remain open during the state Covid stay-at-home ordinance. You may send someone in your place to pick up your food distribution at any time if you feel necessary.

We would like to remind everyone as you approach the drive-thru line to please wear your mask at check-in and as food is being loaded to your vehicle. Also, please turn off your engine, if possible, to better hear you speak, protect our workers from fumes, and save gas.

Local Food Producer of the Month

This month our featured local food producer is Early Bird Farm & Mill. 'Early Bird Farm grows fresh produce and animal products, and stone mills grains into fresh flours. They build soil using regenerative agriculture methods, and partner with other farms who have the same values of soil and community stewardship.' Look for locally made flour from Earl Bird Farm this month. We have built a partnership with Early Bird Farm to regularly supply their locally and sustainably made flour for all your baking needs!
